| | | | Backing vocals: medium |
| | | Pitch | Soprano |

Professional background

I gained an MA (hons) in Film, TV and Theatre at the University of Glasgow. There were practical elements in the course which I was able to apply to the commercials, theatrical productions and films that I had been performing in since I was a child. I have also attended many acting classes over the years to hone my skills, especially in improvisation, film acting and accents.
